Description

Unions CAST STUDY solution

Read and analyse the following case and answer the questions given at the end.

Unions, with few exceptions, have opposed privatisation of PSEs in general. Even in cases where full protection of workers interest is assured, they have been reluctant. The prevalent aversion, it appears stems more from a conservative ideology than a rational outlook but there is more to this aversion.

- (a) List out the factors which you think are responsible for aversion to privatisation.
- (b) Explain the causes, which result in such kind of aversion.
- (c) What in your opinion is the impact on the work culture of an organization which goes for privatisation ? Explain.
